

PRINCIPAL'S MESSAGE

Parkview Families,

We are off to a great start. The first few weeks of school have been very busy. We are reviewing school rules and procedures with all of our students. The Parkview school rules are **Be Safe, Be Responsible, and Be Respectful**. We will have a weekly assembly on Fridays. At the assembly we will celebrate successes, discuss specific skills we want our students to learn, and set goals for the upcoming week. Parkview is continuing our college and career focus as an AVID school. We want all of our students to set a goal to go to college. Students will be learning skills to help them be successful in school and prepare to go to college.

Parkview Elementary received an award in August for being the "Top Performing Title 1 School in Salt Lake School District for the 2016-2017 school year". We are so excited to receive this award and wanted our students to celebrate with us. Last Friday, we had a celebration during our weekly assembly where we showed the students the banner we received and had a little party. We are so proud of our students and all of their hard work. The banner will be displayed in the front entryway as a reminder of our hard work and what we can accomplish when we set goals and stick with it.

We have noticed that after school we need your help in making our pick up and drop off safe. Please park your cars and walk to get your students instead of having your students cross

in front of other cars. School personnel have been asked to speak with parents outside to encourage safe practices.

You will be receiving information about an upcoming math family night on September 20th from 6:00-7:30. Please put this date on your calendars. You will be invited to come to your child's class every month to see what they are learning in math. Third grade will have their first parent activity on September 7th. If you have a third grade student please make it a priority to be there. We will have many parent activities at the school this year to help you feel informed about what is happening at Parkview and provide opportunities for you to be involved in your child's education.

-Mrs. Bergera & Mr. Yates

PLAYWORKS UPDATE

Playworks is a program at Parkview that is focused on bringing out the best in every kid through play. Students learn to play safely and to include everyone in the games at recess. They also learn conflict resolution and communication skills through organized, team games. This week at recess we have been playing soccer and bulldog tag, these games are the favorites from last year. This week we have been working on getting back in to the swing of school and the rules at recess.

Next week we will be focusing on inclusion and good sportsmanship.

T-SHIRTS ARE HERE!

Our new blue Parkview T-Shirts are available for only \$5 in the Main Office. Get your shirt and wear it on Fridays to show your school pride.

BREAKFAST WITH THE SUPERINTENDENT

Please join our Superintendent, Dr. Alexa Cunningham, on Wednesday September 20 for breakfast in the library from 7:00am-9:00am.
