

PRINCIPAL'S MESSAGE

Dear Parkview Families,

There is a calendar change for Wednesday, October 19th, 2016 for an early release day at 12:25. Please put this on your calendars and notify your daycare providers. This is a change from our original school calendar. Next week we have parent teacher conferences. Please make sure you have set up a time to meet with your child's teacher to discuss their current performance and set some goals to work toward during the next term.

Parents please save the date to attend activities at Parkview on Friday, October 28th, 2016. We will have parent activities in the classrooms from 10:45-11:30 on math games to help your students practice important math concepts in a fun way. Parents who attend the math sessions will receive a ticket to enter a drawing for some prizes. We will have a Halloween parade for parents to attend on Friday, October 28th, 2016 at 11:45. Following the parade, we will close with the prize drawings and dismiss from school at 12:25.

Students will be allowed to wear costumes for the parade with the following guidelines: No masks, No pretend weapons, and No extreme gore or blood. School dress standards will still apply with the exception of hats and

temporary hair color. Students will need to bring their costumes in a bag labeled with their name on it. There will be a few minutes for students to change into their costumes. If your child will need help putting their costume on, please plan to be here to assist them. The parade will last approximately 25 minutes. Parents are welcome to attend the parade. Parents are asked not to bring strollers into the school as there will be limited space. Students not wanting to participate in the parade will have a non-holiday alternate activity in the library. Please let your child's teacher know if your child is not planning to participate in the parade.

The word of the week for next week is sportsmanship. Have a great weekend.

Thanks!
Mrs. Shaw & Mrs. Vidal

SCHOOL SCHEDULE

Monday – Thursday
8:00 am – 2:30 pm

Friday (Short Day)
8:00 am – 12:25 pm

NEW TEACHER SPOTLIGHT

Parkview Elementary wishes to welcome all of the new staff and faculty to our school this year. We

will highlight one teacher/staff each week.

Please Welcome, Nikki Malcolm as one of our 4th Grade Teachers.

Ms. Malcolm's 4th grade class is off to a great start this year! There are 27 students in her class, 2 of which are new to Parkview. They have been learning and practicing place value and rounding and have moved on to multiplication and are rocking it! Along with Ms. Lou's class, they will be embarking on two field trips this October. One field trip will be to Silver Lake in Big Cottonwood Canyon. There, students will learn about 2 of the different biomes of Utah, wetlands and forests, which they have been studying since school has started. Our next field trip will be to the Great Salt Lake, where students will once again be able to see another Utah biome, the wetland! Ms. Malcolm is very excited to show her students the different biomes that surround this amazing place we all get to call home! The students will be able to see and experience different environments within minutes of each other! They will also get a chance to see 2 different types of wetlands. They are very excited for this opportunity and look forward to sharing what they see and learn!

UPCOMING EVENTS
