

### PRINCIPAL'S MESSAGE

Dear Parkview Families,

We've had another great week at Parkview with lots of learning! Keep up the hard work, everyone!

We do have some news to share. Friday, December 2nd is Mrs. Vidal's last day at Parkview. She has accepted a different job. She is sad to leave the Parkview Community and has loved working with all of the amazing students, wonderful families, and dedicated teachers. She will miss seeing everyone's smiling faces each day but will be sure to keep in touch. Parkview is in the process of hiring Mrs. Vidal's replacement. As soon as that person is selected, we will let you all know.

-Mrs. Bergera & Mrs. Vidal

### SCHOOL FUNDRAISER

The school fundraiser has begun! Students have until Friday December 9 to turn in their order forms for the chocolate bars. There are two kinds of chocolates, the \$1 chocolates in various flavors, and the \$6-\$7 chocolates. Any orders for the \$1 chocolates will be filled the day after students bring them in, while the more expensive chocolates will be delivered on December 16. We've already had many students bring in orders and we hope that they

continue to bring in more. Remember that orders can be handed into the teacher or directly to the main office.

### OPEN ENROLLMENT

Open enrollment is from December 1, 2016- February 17, 2017. If you do not live within the Parkview boundaries and are attending Parkview on special permit, you will be notified in March about permit renewal.

If you live out of bounds and have a student starting school next year and are wanting them to attend Parkview, you will need to fill out a permit for each new student. Please apply at the Salt Lake City School District building in the Student Services Department.

It is a good idea to apply sooner for a special permit rather than later. Please ask the Main Office if you have any questions about this process or where you need to go to apply.

### EVENT REPORT: Hour of Code

Thank you to all of our students and families who attended Hour of Code. We've had a great turnout. Students were taught how to access [www.code.org](http://www.code.org) and sign up for an account. Also, after signing in they were able to create some codes for their favorite games. Our students are real

scholars and they are the future of the science technology, which is in the big demand now, and will be in even bigger demand in the next couple of years. Some students told us that they would like to be Computer programmers when they grow up. Others said that they would like to work on creating robots. We all had a lot of fun with learning coding. Thanks to Leslie Lewis, Gloria Shirley and Alex Rowe from the district for helping us organize this event. Thank you to our ELP teacher Kathy Gilmour and assistant principal Mrs. Vidal. Students, remember, be creative and keep up with coding!

### UPCOMING EVENT: 5<sup>th</sup> Grade Maturation Program

On Friday December 9, there will be two presentations for the 5<sup>th</sup> graders (one for the boys and another for the girls). A flyer with this information was sent home earlier this week.

Our school nurses will be discussing the physical and emotional aspects of growing up, as well as the responsibility that comes with maturing physically. Parents are welcome to attend the presentation with their student, but please make other arrangements for children under the age of three.

## COMMUNITY EVENT: LITTLE LEOPARDS CHEER CLINIC

The East High Cheerleaders are holding a cheer clinic to fundraise for their squad. It will be Dec 12- Dec 14 from 4:30pm until 6pm. The clinic is a great opportunity to learn, make friends, perform, and have fun! Participants will learn cheers and a dance routine to perform during the halftime of the East High School basketball game on Friday, December 16.

If you are interested in participating in the clinic, please pick up a registration form in the Main Office at Parkview.

## UPCOMING EVENTS

### December

**NO SCHOOL: Winter Break**  
December 26-January 6

### SCHOOL SCHEDULE

Monday – Thursday  
8:00 am – 2:30 pm

Friday (Short Day)  
8:00 am – 12:25 pm

## SOCIAL MEDIA

Have you visited our website, [Facebook](#) or [Instagram](#) pages? Well, if you want the most up-to-date information about the happenings at school, check them often. Plus, you might see your student in the pictures.
