

PRINCIPAL'S MESSAGE

Parkview Parents,

Over the last few weeks we have had many volunteers from the community helping out Parkview students and families. I would like to thank US Translation Services for coming to our school this week to help out in classrooms and spend time with our students. The students they worked with received a book, pencil, and candy canes. Discover card has also been reaching out to help families in our school community too. I would like to thank the volunteers for caring about the students at Parkview and our school community. I would also like to thank Becky Gibson, our PTA President, and the other parents who have been involved with our chocolate fundraiser. We appreciate your time and efforts.

I am noticing that we are having increased issues with student attendance. Many students are late getting to school on a regular basis and/or have a large number of absences. I understand that there are times when students will be late to school or be absent, but for some of our students the amount of instructional time they are missing is extreme. It is your job as their parent or guardian to get them to school on time each day. If there are special circumstances that we need to be

aware of regarding your child's attendance, please contact me directly in the office to discuss it.

The office will be sending out truancy notification letters over the next few weeks for students who have excessive absences and pre-court hearings will be scheduled to discuss a plan to improve the child's attendance. At Parkview we take student attendance seriously. We cannot teach your children if they are not in school. Please make a commitment to have your children in school each day and ready to learn when the tardy bell rings at 8:00a.m.

Our next community meeting will be held on Wednesday, December 21st at 7:30am in the library. Bring your children to breakfast and join us to talk about school safety issues and the current academic status of the students at Parkview. If there is something you would like to discuss with other parents at the meeting, please contact me to put it on the agenda. We want to see you there.

-Mrs. Bergera
Parkview Principal

SCHOOL FUNDRAISER

Thank you so much for participating in our school fundraiser! We are still counting to see which class sold the most chocolates, but so far top two selling classes are Mrs. Larsen's 3rd graders and Ms. Malcolm's 4th graders. The orders for the \$6-\$7 chocolates will be delivered to the students' classes on Friday December 16.

We will announce the final tally and winning class next week!

FIELDTRIP REPORT: 2ND Grade and Salt Lake Acting Company

Our 2nd graders had the opportunity to go see the production of *DIARY OF A WORM, A SPIDER, AND A FLY!* by the Salt Lake Acting Company. While watching the play the students learned about different homes insects live in and different facts about each insect. They also learned about how plays are created and how the actors spend many hours practicing before they perform in front of an audience!

- Ms. Bradford, Ms. McDonald,
and Ms. Sevy

OPEN ENROLLMENT

Open enrollment is from December 1, 2016- February 17, 2017. If you do not live within the Parkview boundaries and are attending Parkview on special permit, you will be notified in March about permit renewal.

If you live out of bounds and have a student starting school next year and are wanting them to attend Parkview, you will need to fill out a permit for each new student. Please apply at the Salt Lake City School District building in the Student Services Department.

It is a good idea to apply sooner for a special permit rather than later. Please ask the Main Office if you have any questions about this process or where you need to go to apply.

COMMUNITY EVENT: LITTLE LEOPARDS CHEER CLINIC

The East High Cheerleaders are holding a cheer clinic to fundraise for their squad. It will be Dec 12- Dec 14 from 4:30pm until 6pm. The clinic is a great opportunity to learn, make friends, perform, and have fun! Participants will learn cheers and a dance routine to perform during the halftime of the East High School basketball game on Friday, December 16.

If you are interested in participating in the clinic, please pick up a registration form in the Main Office at Parkview.

UPCOMING EVENTS

December

15- 3rd Grade Fieldtrip to Discovery Gateway

NO SCHOOL: Winter Break
December 26-January 6

SCHOOL SCHEDULE

Monday – Thursday
8:00 am – 2:30 pm

Friday (Short Day)
