## PROJECT REALITY

Project Reality is an eight week class that teaches strong parenting skills.

Classes are on Wednesdays from 5:30-8pm until May 23. There will be free dinner, and childcare for children age 2+.

The classes are taught in English and in Spanish.

## WELLNESS

As testing continues and the school year is coming to a close, we want to make sure students are taking care of themselves mentally and physically.

Please encourage your students to stay hydrated, make nutritious food choices, go to bed on time in order to get enough sleep, and to spend time playing outside.

Ways you can help are:

- Have your students carry reusable water bottles
- Offer fruits/vegetables as snacks
- Be consistent about bedtime
- Take a walk outside together
