

### PRINCIPALS' MESSAGE

Parkview Families,

Your child's teacher is looking forward to meeting with you in a few weeks at parent teacher conferences. Please make sure that you schedule a time to meet to discuss your child's progress in school and set goals for the rest of the school year. Conferences are March 8th and 9th. School will dismiss early on March 9th @ 12:25. We will have a parent survey available for you to complete when you come to the school for conferences about your child's school experience at Parkview. A small treat will be given out for every survey returned to the office. We value your opinions.

We have some safety concerns with the pick-up and drop off on the North side of the school. Some students are running out into the parking lot when there are cars driving through. Please do not call your students to cross in front of cars when you are picking them up. We want all of our students to be safe.

Have a great weekend.

-Mrs. Bergera & Mr. Yates

### WORD OF THE WEEK

This will be followed by our parent advisory meeting, presented by the National Alliance for Mental Illness (NAMI). NAMI will speak to the warning signs of depression and suicide. Please join us for this event. Presentations are set in English and Spanish.
