

### PRINCIPAL'S MESSAGE

Parkview Parents,

Wednesday was a busy day for our school this week. In the morning, we hosted the Superintendent, Dr. Alexa Cunningham, for a community breakfast. Later that evening was our EUREKA Math Night to introduce the new math program Parkview has adopted this year.

At the breakfast, parents, teachers, and other staff had the opportunity to meet with Dr. Cunningham and talk about all the wonderful things happening at Parkview and within the school district.

Wednesday night was our family math night where parents had the opportunity to do EUREKA math activities with their students and the teachers. We had many families attend and we hope that everyone was able to learn something new.

The weather switched from summer to autumn this week, which means it is getting colder. Please remind your students to wear jackets and coats now that summer is over.

-Mrs. Bergera
