

PRINCIPAL'S MESSAGE

Parkview Parents,

The state school grades were released this year. Parkview received a C grade. Our students made academic progress in math and language arts but we had a low growth score in science. Since we do not have sixth grade students at Parkview, the science growth score is only calculated on the performance of the fifth grade students. This score impacted our points and overall growth score to move us to the C category. We are committed to working hard to improve our students' mastery and growth levels. If you have questions about the school grade please feel free to ask. Parent teacher conferences are coming up on October 11th and 12th. Please make every effort to attend your child's conference. This is a great opportunity for you to celebrate your child's strengths and set goals to help your child stay on track to meet the grade level benchmarks.

We are excited about the many opportunities for parents to be a part of what is happening at Parkview. The PTA is having a meeting on October 3rd @ 8:00am. All parents are welcome to attend the meeting. Thank you to the parents who attended our parent meeting this past

week. The group will be called "Padres Fuertes." We will be discussing more information about the AVID program when we meet again on October 25th at 8:15am.

PICTURE MAKE-UPS

Any student who was absent on Thursday September 14 will need to have their picture taken on Thursday October 26. Should any student wish to have their picture retaken, please communicate with the teacher so that we can make sure all students get their picture taken. If you have any questions, please call Bell Photography at 801-479-4624.

CHOCOLATE FUNDRAISER

Our school fundraiser is underway. Students can bring in chocolate orders until Wednesday October 11. We are so proud of all the students who have raised money for Parkview so far!

Below is a list of how much students have sold in each grade.
