

### PRINCIPAL'S MESSAGE

Hello, Parkview Families!  
Please remember that next week we only have school Monday and Tuesday. Both days are full days. Students will return to school on Monday, November 28<sup>th</sup>. Our Word of the Week is patience. Please talk about what patience looks like at home. We've been reviewing it at school, too!

Now that the weather is getting colder, please send your children to school in coats and warm clothes. Please do not wait in between doors because this can create a safety issue. If it is an inside day, we will post a red sign on the door telling kids to come to the gym. Otherwise, students must always wait outside unless they are coming in for breakfast. Remember that breakfast starts at 7:20 and is done being served at 7:50. We have an exciting event coming up on December 1<sup>st</sup> after school called Hour of Code from 5-6:30! Hour of Code is a time when students and parents can come learn some fun computer programming activities. We will have a drawing for a few free t-shirts. Activities will be in the computer lab and the library. Don't miss out on the one-time event!

Have a great week!

-Mrs. Bergera and Mrs. Vidal

### SCHOOL EVENT: Hour of Code

Come join us for Hour of Code on December 1, 2016 from 5-6:30 in the library and computer lab! This is an awesome once per year activity where you and your child can learn about computer programming and enter a drawing to win a free shirt!

### UPCOMING EVENT: 5<sup>th</sup> Grade Maturation Program

On Friday December 9, there will be two presentations for the 5<sup>th</sup> graders (one for the boys and another for the girls). A flyer with this information was sent home earlier this week.

Our school nurses will be discussing the physical and emotional aspects of growing up, as well as the responsibility that comes with maturing physically. Parents are welcome to attend the presentation with their student, but please make other arrangements for children under the age of three.
